

**AMERICAN CENTER PRESENTS  
A PUBLIC LECTURE**

# **A HOLISTIC APPROACH TO DECISION-MAKING**

**Speaker: Dr. Errol Wirasinghe**

Dr. Wirasinghe is the author of the book "The Art of Making Decisions" and also the developer of the XpertUS Decision Support System. He has trained several Fortune 500 companies, and is also a guest lecturer on Decision-Making at the University of Houston's MBA program.

He started life as a Mechanic, and went on to become an Oil & Gas Engineer, Research Scientist, University Professor, Management Consultant, Director of a Public Utility, and Big-Brother. He also owned several retail stores, and founded a

leasing company.

Graduating as Valedictorian at Teesside University, U.K. in Mechanical Engineering, he went on to obtain his Ph.D. in Fluid Mechanics, having won a scholarship from the prestigious "Confederation of British Industries".
